

Feb 18/22 Freedom Convoy - Insp Palmer Scribe: Cathy Lacroix
0754 Scribe OS RCMP Leiken

0755 Traffic Kandar OPP asking for 2 patrol
escort for tows.

0805 IC - calling Troy Forgie to arrange escort
- IC - Forgie - How many OPP were to
assist w/ escort - Forgie - 4 OPP assisting
and MTO - Forgie they do not have a
car just coming onboard - Forgie OPS
OS supposedly w/ Trucks - Kandar
if you can send them to the back -
IC -> Forgie - MTO has a team at
3100 Convoy to accept the trucks
Forgie -> IC do they have the forms
that need to be filled out? ~~to~~
IC will ask about forms. ✓

0810 IC -> sending picture of tow form to
Marchevesque -

0813 Command -> IC Do we have IT here - IC will find out.

0813 - OPP Kandar 2 OPS - 2 OPP OS to escort tows.

0814 IT OS Patrick - on the way to see Command

0817 Rikirt -> IC need briefing sheet

0818 IC - Groulx need full spread sheet

Groulx IC -> already sent - Individual
leads but no team leaders - Groulx -> IC

are we still keeping the zones? IC ->

Groulx - You moving east to west.

IC they are (the QRTS) to assist to

hold the zones. Groulx - IC no zones

assigned to QRT. just in teams no

zones. IC -> Ops chief NCRCC to

deploy - site commanders will know

where needed. IC -> Groulx do we have

anyone to help w/ tows Groulx -> IC

not at this time. IC -> Groulx need

1/1702

0823

a couple of more units to assist w/tows
Groulx → IC all have positions no
further units. IC → Groulx who is
site security for the tow yard?
Groulx - have no extra units only traffic
Groulx - 3 marked cars & officers on scene
site security 3100 Conroy

0825 OPP Kandar → IC

- need someone to assist Fergie in
processing Tow forms - Groulx Op. Chief
Nkrce can arrange a body to do so.

0829 IC → Hull

get someone to help Froats w/tows at
tow yard

0838 Cairns → IC

- no one to assist Troy ^{Froats} w/ processing - IC
advise QRT's will be filling out forms
IC → Froats - what do you need?

Froats - at Conroy secondary detention
for processing - every arrest has
a different case number - detainees
are going to Stedell - Car/Trucks to
Conroy will they get same case number
there is no one here to process vehicles
towed in and future release.

Troy Messam's one person processing
detainees - IC → 6 officers there
to ~~process~~ site security. In the same
lot so can they maintain for Tows.

Froats - Same lot so yes. IC → will have
Mark Levesque speak to 6 security and
Troy Messam to direct them to
assist Froats w/ vehicle processing.

Froats - Are we taking Key into detention area
or leaving them in trucks? IC - what
is happening w/hot teams on arrest?
Froats - hot teams make every attempt

2/17/02

to take keys. Froats $\Rightarrow$ this is wide open no security here that was the need for officers for site security. Froats $\Rightarrow$ release of vehicles seems to be missed on plan.

IC $\Rightarrow$ will speak to Marc Levesque first to get assistance for vehicles then will speak to staffing in regards to vehicle release.

Marc Levesque - 3 cars here Troy Messam and 2 cars from Hamilton.

IC $\Rightarrow$ Levesque - Can Messam assist w/ vehicles and Hamilton maintain security - Marc Levesque not that will compromise security.

0852

Groulx $\Rightarrow$ IC what happened to Infinity and then changed back to Ben Franklin?

IC $\Rightarrow$ I did to accommodate staffing 4-5 hours to process OPP - for hardening plan - cannot process 500 people at Infinity. Not enough room for the shift changes. All parties as said w/ those numbers is not going to work.

0858-

Groulx - now that we are back to two locations will have to ensure staffing technology is effective for 2 spaces.

859.

IC ~~into~~ staffing need numbers for 3100 Conroy. Now there is only 3 of them instead of 6 - Groulx deployment has 4 officers. There is an Inspector & a staff not sure if they are there. Now says 2 vehicles 2 officers each

3/17/02

IC - Groulx it is 2 officers + Troy Messam.

0903

Groulx Staffing has to be sent to both Infinity and Ben Franklin for briefing

IC → Can we move 2 more officers to 3100 Convoy from patrol assigned to demo. - Groulx → IC patrol saying 3 patrol already assigned by Levesque
Groulx → Patrol we need 2 more units from patrol to attend 3100 Convoy to assist w/ vehicle processing. Redeployed from patrol assigned to Convoy.

0919 Cairns → IC

Waterloo? IC → 2 going to help out Froats and some @ 5100 processing prisoners - IC will confirm where they are deployed

0924-

Froats w/ do all 40ws under new case number and link event → event to this one number.

~~0926~~ 0929-

Seankey duty contact Corey Robertson for any requests.

0931

Pedro OS NOC w/ 2 bases - Bernier requesting traffic state posts to be removed from operational channel.
- Bernier need solution for downtown core checkpoints - Strategic room may be run core hardening w/ O7P radios only - and run from NZ RCC and ensure they have messaging for authorities.
Thompson - O7P radios need repeaters
Bernier - need more O7P cruises?

IC don't have anymore cruises - IC going to speak to Strategic.
Req bases delivered to Cairns 7/1 spare

Burner > IE don't patch in to
 our channels their own channel and
 to broadcast w/ by OP dispatcher
 De they are not encrypted is that a
 problem some need repeaters (ears)
 nearby. IE my understanding is that
 if they were patched they were not
 encrypted. Burner no they are not
 encrypted and that is okay.
 Do > Burner why need repeaters Burner
 need a solution not a command issue
 Burner one option is to patch them on
 another channel. Burner just get them
 on another channel and patch to the
 OP dispatcher @ NORAD
 IE to contact DIRTY NORAD to arrange
 channel & patch.
 from Terri Tolmie disp if it is a go
 patch to spaces
 IC > Logistics OP - how many officers on
 handling have an OP car w/ repeater
 OP will enquire as to how many couriers
 are out there w/ repeaters.
 Disp checking w/ 3 OP dispatchers
 & Tolmie if it is possible for one of
 them to monitor spaces - OP checking
 to see how many radios are available
 for it to be only OP radios involved.
 in handling static positions.
 confirmed by disp. Tolmie & Lormieux
 are okay to monitor spaces.
 Burner - can we get all names of those

1214 -

6/17/02

17 vehicles seized so far - FC will check and advise

1219

Froats advise that towed vehicle area and release process will be fully staffed by this afternoon and they are good so far. - advising Cairns.

1225

Froats advises that they have almost completed the first wave of trucks and arrangement made w/ Groulx to have it fully staffed for the next shift. Pou stating in sit rep - arrest are slowing some things down all Pou are out. - Hodgins says processing is going as planned.

1241

1242

Nethercott advising that Toronto has a team ready to go @ 1330 to assist hot teams

One minor injury to one OPS member so far. 2 kids as are the only ones that were seen no longer around.

1304

Springer asking to lighten up integrated command to move into another room

1339

Bernier req. to see FC - in ICC
OPP planning req. staffing of Pou taken intersections for containment so Pou can rest. - all Pou teams need rest.

1346

Bernier need fencing now - make request to Sam - Sam - How much and where.
Bernier - as much as you can get on stand by

1348

- Roberts making the calls for fencing have 4 ft fencing

1360

7/17/02

Karl Weimring from security was asked by Pat Frost to get commissioners

1352

to secure S/relcld

- IC → staffing req. in regards to containing taken areas so you can rest. - Groulx - everyone available has an assigned location - OPP are traffic only - CSET are all deployed and patrol is assigned to Conroy.

IC → Is there anyone on rest days? Mann we are going to burn them out for the weekend

IC → maybe at this point we have to go w/ A/D plan to deploy all officers w/ use of force

1356 -

Groulx all officers deployed - Mann would even if we had them would 100 officers make a difference -

IC - do we have anyone to redeploy - ~~no~~
Groulx - no one that is not deployed or assigned. - IC - how many people can we get what is the number I can give? - IC last resort it would be to go to A/D. Groulx - not teams one investigator one out of 4 owner. - Mann that did not happen - not the pool of not teams originally asked for.

1401

Groulx - only number is 0 unless it is OPS not on the demo - has use of force.

1411

discussion w/ A/D, Drummond and Roberts in regards to security for tow and arrest location. - Roberts was always a temporary storage solution. Robert will put some plates out for Conroy security.

1416

IC - Aiken OPP - advised it is 0 resources. Barrier asking for OPS CTC - IC I

8/17/02 1422

had 2 OPP CIC and negotiator team.

- have 2 OPS for weekend

Bernier we need reserves in order to continue - need to ask for more resources can't draw from QRT's. need to ensure our model allows for resources to be ready to help secure ground gained is contained.

1425

need teams to help secure Sussex Wellington, Colonel By, McKenzie

Chateau - senate, Potomac Riverview

to help secure fencing. own Nicolas/Pa

have 2 QRT teams holding that

1429

TC Groulx - req for QRT's or officers to take containment of secured areas

1431

3 teams of five with no OPS on the QRT teams - all asks for help have gone out and are here from Brad and us

1433

IC - Springer what if we collapsed to hardening zone in? Can but still need traffic post manned

Springer this is day one of 5 day push w/ clean up after that

Groulx - this is the lowest number we have for 3 weeks 75 for QRTS 135 for traffic OPP high 200's - 150 guys taken for hardening plan - Groulx fencing and heavy equipment to reinforce office being there. at 2100 all the roster for OPS are day shift - Bernier CETS shut down CETS shut it down. - Groulx 50 left over for night shift after they give us some - night shift

9/17/02

Groulx if we take the second out of

RCMP OPP will give us potentially
70-90 officers to be distributed @ RT's
Sam Roberts - need to secure 8 foot fencing
to jersey barriers - Bernier RCMP may be
able to secure some jersey barriers
1441 FC 60-70 to man the entire area including
Nicolas/Daly

1445 Gravelly will have to draw from patrol
for Conroy. - 6 in 3 cars

1446 no jersey barriers left in city - no heavy
equipment - being used for snow removal.
4 foot fencing manned so no one comes
in may to work.

~~1447~~ 1448

1451

50 officers each phase for 8 phases - 800
to be held for all phases until done.
Request for copy of Plan from ^{Waller} Hopkins.

1457

Waller/100 Reg - for tonight to officers with
hardened barriers for the secured areas
- IC & Deputy Ferguson advising of request
for resources - moving forward. A B/C
always part of the plan for extended
maintenance - RCMP said they would be
sending officers to assist - IC we are
looking @ 800 officers to maintain security
of these areas - ADC - this is a meeting
for all IC's to nail down these asks
for resources.

1509.

Gravelly make the ask but there will
be issues - Mannie: Radios, Hotels

1510

Gravelly - easiest plan for 50 officers
how is to use the double up OPP &
RCMP.

10/17/02

1512

1513-

IC - Do not want to cancel days off
Groulx - Can we propose the army for securing these intersections - the earlier we highlight that we are at a staffing crisis the better - Are we at last resort. Can we meet this request - no

1516-

IC → Groulx - did you speak to Jim Elves?
Groulx - No will call him right now

1517-

IC → IT can we ensure that we have IT available for the weekend.

1532

IT is on call all weekend usually answer a call in 5 mins

1534-

Groulx - Mann - where does Pou leave their gear? IC - they leave it at all the down rooms downtown - Mann speaking to the officer that swears officers from out of province - will have to check w/Edanagan for Pou teams

1543-

Springer - has the ask been put out for heavy trucks - All OPS heavy trucks city vehicles already being used for snow removal - Springer need anything we can in large vehicles to block intersections MTO asking if they have anything.

1547

Springer - 50 prisoners w/ T-shirts in snow need OC Transpo possibly for transport Rideau/Sussex - Roberts looking into it.

1546

Pou

OC Transpo going to get bus into at willow blocker bus and walk detainees down - also so many buses being requested - How close are the fences? Roberts asking Bryden - 160 sections of 8 feet length.

11/17/02

1603

- info that only 6 hot teams showed up for 1530 hrs. - and now arresting protesters & not truckers - prisoners 50 waiting outside. - Roberts should we be putting them in prisoner van to either one of the holding area and process them there in shelter instead of keeping them outside.

1609-

Lachine - no longer 50 out there it is only 10. - John Black has arrived approx 10 left on the line to be taken to sites to be processed - uk what happened w/ six arrest vans for 16 people each uk where disconnect happened to get them into vans to be processed - need a conversation w/ John Gibbons & Ritchie to speed the process

1612

IC - Oc transpo will not supply any prisoner transport - Lachine any that are identifying and are negative taking them to Conroy and releasing them with or without conditions depending on arrest. - from info do not want to give them a finger print date -> but will speed it up if you release w/ finger print date - or we will be delaying to the point of arbitrary detention. - Lachine believes it is only 10 left will advise if Oc transpo bus still required.

1619-

Oc transpo bus will still be coming a place of shelter @ the bloor intersection. Springer BTO has gotten 10 school buses to assist w/ blocking streets
